**KRISTA HALEY APPOINTED VICE PRESIDENT of
BERKHEMER CLAYTON RETAINED EXECUTIVE
SEARCH FIRM in LOS ANGELES**

Los Angeles, CA—Berkhemer Clayton, Inc., a senior-level retained executive search firm, announces that Krista Haley has been promoted to Vice President after three years with the firm. Berkhemer Clayton handles national searches for corporations, higher education and non-profit organizations, with specialty practices in corporate communications, marketing, finance and general management.

Prior to joining Berkhemer Clayton, Haley had 11 years of public relations agency and consulting experience, most recently with Weber Shandwick public relations in Los Angeles, where she managed communications, marketing and crises for major corporations in healthcare, technology, manufacturing, financial services and consumer products. Haley previously worked in New York City as a Managing Director with public relations firm BSMG Worldwide, where she directed communications programs for private and public companies. She moved to the West Coast to help BSMG open its first Los Angeles office in 1997. Haley graduated from Mt. Holyoke College in Massachusetts with her Bachelor of Arts in Politics.

“Krista brings a deep understanding of the corporate communications function to her leadership role in executive-level recruitment, assessment and selection. She has been instrumental to our continued growth at Berkhemer Clayton, and her management skills and superior client service reflect our values and commitment to results for every client. We are pleased to recognize Krista for all she has done,” said Betsy Berkhemer-Credaire, President and co-founder of Berkhemer Clayton.

Founded in 1994, **Berkhemer Clayton** is committed to a process of inclusion for every search, Berkhemer Clayton strives to present a full spectrum of candidates including men, women and people of color. Berkhemer Clayton recently managed senior-level communications searches for City of Hope, Countrywide, Edwards Lifesciences, Ingram Micro, Kaiser Permanente, the University of California at Irvine and the University of Southern California.
